24 (3) The clothing exemption provided in subsection (2)(a) of this section shall not
25 include:

26 (a) Clothing accessories or equipment;

27 (b) Protective equipment; or

1 (c) Sport or recreational equipment.

2 (4) The exemption provided in this section shall be subject to the following
3 provisions:

4 (a) A sale or purchase of eligible property shall qualify for exemption if:

5 1. The eligible property is both delivered to and paid for by the purchaser
6 during the sales tax holiday exemption period; or

7 2. The purchaser orders and pays for the eligible property, and the seller
8 accepts the order, during the sales tax holiday for immediate
9 shipment, even if delivery is made after the sales tax holiday. The
10 seller accepts the order when the seller has taken action to fill the
11 order for immediate shipment. Actions to fill an order include
12 placement of an "in date" stamp on a mail order or assignment of an
13 "order number" to an order submitted by telephone or electronically.
14 An order is for immediate shipment when the customer does not
15 request delayed shipment. An order is for immediate shipment,
16 notwithstanding that the shipment may be delayed because of a
17 backlog of orders or because stock is currently unavailable to, or on
18 back order by, the seller;

19 (b) A sale or purchase of eligible property under a layaway sale qualifies for
20 exemption under this section if:

21 1. Final payment on a layaway order is made by, and the eligible
22 property is delivered to, the purchaser during the sales tax holiday; or

23 2. The purchaser selects the eligible property, and the retailer accepts the
24 order for the eligible property during the sales tax holiday, for
25 immediate delivery upon full payment, even if full payment and
26 delivery is made after the sales tax holiday;

27 (c) 1. A discount by the seller reduces the sales price of the eligible property

1 and the discounted sales price determines whether the sales price is
2 within the sales tax holiday price threshold.

3 2. A coupon that reduces the sales price is treated as a discount if the
4 seller is not reimbursed for the coupon amount by a person other than
5 the purchaser.

6 3. If a discount applies to the total amount paid by a purchaser, rather
7 than to the sales price of a particular item, and the purchaser has
8 purchased both eligible property and taxable property, the seller shall
9 allocate the discount based on the total sales price of the taxable
10 property compared to the total sales price of all property sold in that
11 same transaction;

12 (d) Articles that are normally sold as a single unit, such as in a pair of shoes,
13 shall continue to be sold in that manner and shall not be priced and sold
14 separately in order to obtain the exemption;

15 (e) Eligible property purchased with the use of a rain check during the sales
16 tax holiday shall qualify for the exemption regardless of when the rain
17 check was issued. Issuance of a rain check during the sales tax holiday
18 shall not qualify the eligible property for the exemption if the property is
19 actually purchased after the sales tax holiday;

20 (f) The procedure for an exchange of eligible property shall be as follows:

21 1. If an item of eligible property is purchased during the sales tax
22 holiday, but the purchaser later exchanges the item for similar eligible
23 property, even if the item has a different size, color, or other feature,
24 no additional tax is due, even if the exchange is made after the end of
25 the sales tax holiday;

26 2. If an item of eligible property is purchased during the sales tax
27 holiday, but the purchaser returns the item and receives credit on the

1 purchase of a different item, the appropriate sales tax is due on the
2 sale of the newly purchased item if not otherwise exempt under this
3 chapter; and

4 3. If an item of eligible property is purchased during the sales tax
5 holiday, but during the sales tax holiday the purchaser returns the
6 item and receives credit on the purchase of a different item of eligible
7 property, no sales tax is due on the sale of the new item if the new item
8 is purchased during the sales tax holiday;

9 (g) Delivery charges, as defined in KRS 139.010, shall be included in the sales
10 price of eligible property. For purposes of determining a sales tax holiday
11 price threshold, if all property in a shipment is eligible property and within
12 the sales tax holiday price threshold, then the seller is not required to
13 allocate the delivery charges to determine whether the price threshold is
14 exceeded, and the shipment shall be considered a sale of eligible property. If
15 a shipment includes eligible property and taxable property, including
16 eligible property with a sales price in excess of the price threshold, the seller
17 shall allocate the delivery charges by using:

18 1. A percentage based on the total sales price of the taxable property
19 compared to the total sales price of all property in the shipment; or
20 2. A percentage based on the total weight of the taxable property
21 compared to the total weight of all property in the shipment. The seller
22 shall tax the percentage of the delivery charge allocated to the taxable
23 property, but the seller is not required to tax the percentage allocated
24 to the eligible property;

25 (h) 1. If, within sixty (60) days immediately following the sales tax holiday, a
26 purchaser returns an item to the seller that would have qualified as
27 exempt eligible property if purchased during the sales tax holiday, the

1 *seller may issue a credit or refund of the tax paid only if:*

2 *a. The purchaser provides to the seller a receipt or invoice*
3 *indicating that the tax was paid; or*

4 *b. The seller has sufficient documentation that indicates that the*
5 *tax was paid on the specific returned item.*

6 *2. The sixty (60) day time period set out in this paragraph is not intended*
7 *to change a seller's policy on the time period during which the seller*
8 *will accept returns; and*

9 *(i) If the purchaser and the seller are located in different time zones, the time*
10 *zone of the seller's location determines the authorized time period*
11 *applicable to the sales tax holiday.*

12 ➔Section 2. Whereas Kentucky is a full member state of the Streamlined Sales
13 and Use Tax Agreement, a multistate agreement providing for simplification of the
14 nation's varying sales and use tax laws, and whereas Kentucky is required by the
15 Agreement to provide notification to both sellers and purchasers located within and
16 without Kentucky of the implementation of a sales and use tax holiday exemption period
17 at least 60 days prior to the first day of the calendar quarter in which the exemption
18 period will begin, and whereas it is the intent of the General Assembly that the 2017 Sales
19 and Use Tax holiday shall be held during the first weekend in August, an emergency is
20 declared to exist, and this Act takes effect May 1, 2017.
